		Other	Directi	ons. Sugge	stions and Notes:				

- Use Major 2 and Minor courses to satisfy ELAC Liberal Arts Areas & Learning Outcome requirements (Thus: 1 Course Double Counts, meeting 2+ requirements)

- Each major must have 15 unique credits not used in another major, minor or towards ELAC requirements

- Each minor must have 9 unique credits not used in another major, minor, or towards ELAC requirements

- Meet with your Professional and Faculty Advisor at least one week before your upcoming term registration date

- Many employers require GPAs above 3.0 by when you apply for internships (early Fall JR Yr), or early Fall SR Yr for career positions/grad school.

- For some internship positions employers want to see Good Grades on transcripts of important KEY Career Courses - ask your Faculty Advisor

- Remember: The longer your GPA is low, the higher grades and more terms it will take to get your GPA backup.

- See dept. website pages for your major(s), minor(s), concentration(s) for appropriate electives & suggested course sequences for doing multiple program combos.
