Unique Credits: 48 Unique Courses indicated by *U* after course Title above

BUIS - Maior GPA: Unique Credits: 48 Unique Courses indicated by *U* after course Title a

NOTE: There should be only 1 of a course in your plan. After course titles above [inside square brackets] are course designations for ELAC, Writing Program and Liberal Arts Works.

Major: ECON

Major: At least 24 semester hours of the BIS program must be completed at Eastern. A minimum cumulative GPA of 2.5 must be maintained to stay in BIS major. Many BIS courses are only offered BUIS once a year, check course catalog carefully.

* CSC 180 may substitute for CSC 110; see department for more info on substitution request such as using CSC 202, CSC 203, 210 or 231.

** Taking 2 in residence Level 3 Writing Intensive Courses (BIS 447 & 461) meets BIS major writing requirements. If 2 BIS Writing Enhanced courses are taken, then only 1 Writing Intensive Course is needed.

Other Directions, Suggestions, and Notes:

- Use Major 2 and Minor courses to satisfy ELAC Liberal Arts Areas & Learning Outcome requirements (Thus: 1 Course Double Counts, meeting 2+ requirements)
- Each major must have 15 unique credits not used in another major, minor or towards ELAC requirements
- Each minor must have 9 unique credits not used in another major, minor, or towards ELAC requirements
- $Meet\ with\ your\ Professional\ and\ Faculty\ Advisor\ at\ least\ one\ week\ before\ your\ upcoming\ term\ registration\ date$
- Many employers require GPAs above 3.0 by when you apply for internships (early Fall JR Yr), or early Fall SR Yr for career positions/grad school.
- For some internship positions employers want to see Good Grades on transcripts of important KEY Career Courses ask your Faculty Advisor
- Remember: The longer your GPA is low, the higher grades and more terms it will take to get your GPA backup.
- See dept. website pages for your major(s), minor(s), concentration(s) for appropriate electives & suggested course sequences for doing multiple program combos.
